### DETAILED ACTION

1. The Examiner acknowledges Applicant's submission of the amendment filed on 03/01/05. Claims 1-38 are now pending.

#### ***Claim Rejections - 35 USC § 103***

2. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

3. Claim 33-34 are rejected under 35 U.S.C. 103(a) as being unpatentable over WO02/083040A1 (Smits) in view of Turzo.

Smits discloses an ankle-foot orthosis (Figs.1-6), comprising a structural frame (Figs.1, 2, 6) including at least one anterior support member extending downwardly from an upper leg engaging portion to an anterior ankle portion (Figs.1, 2, 6), the anterior ankle portion connecting to a foot plate (Figs.1, 2, 6).

Smits, as described above, discloses all the features claimed except an integrated coating or layer of polymeric coated textile material. Turtzo discloses an integrated coating or layer of polymeric coated textile material (see lines 31-45 of col.5, and lines 40-50 of col.6, also see Figure 1, also see "integrated" in line 23 of col.10). It would have been obvious to one having ordinary skill in the art at the time the invention was made, to have the features taught by Turtzo, in the device of Smits, for improved user comfort.

***Allowable Subject Matter***

4. Claims 1-32, 35-38 are allowed.

***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
